

EVORAMP

**EVORAMP MAKES IT EASIER TO DRIVE
ONTO THE SCALES.**

EASY TO USE

Just “click” the ramp on the frame of the scale and it is ready for use instantly.

EASY TO STORAGE

EVORAMPS can be piled up in pairs, so they will not take much storage space.

MATERIALS

The material of the ramp is wear and tear resistant aluminium.

Depending on the size of the scales different ramps are available.
